

Education Support Provided for Non-Chinese Speaking (NCS) Student(s)
School Support Summary
for the 2024/25 School Year

Name of School: **Yan Chai Hospital Choi Hin To Primary School**

Our school was provided with additional funding by the Education Bureau in the 2024/25 school year. With reference to school-based circumstances, we provided support for our NCS student(s) and assigned a dedicated teacher/team to coordinate relating matters. Details are as follows (if applicable, please put a tick in the box(es) and fill in the required information):

(1) With reference to the learning progress and needs of NCS student(s), our school adopted the following mode(s) to enhance the support for learning of Chinese of NCS student(s) in the 2024/25 school year (one or more options can be selected)#:

(2) Our school's measures for creating an inclusive learning environment included (one or more options can be selected)#:

- ☒ Translating major school circulars/important matters on school webpage
- ☒ Organising activities which promote cultural integration/raise sensitivity to diverse cultures and religions (please specify):

During the "English Day cum Halloween Celebration" held on campus, NCS students took the lead in hosting a booth to introduce the distinctive features of different countries and cultures, fostering cultural exchange. Furthermore, prior to the Lunar New Year, NCS students participated in various booths at the "Chinese Day cum Lunar New Year Celebration", where they learnt about Chinese culture through activities such as paper-cutting, calligraphy and exploring different festive food. They also visited the flower market at Victoria Park, immersing themselves in Chinese culture. These activities not only facilitated communication between NCS students and local students but also deepened their understanding of Chinese culture, traditions, and society, enhancing their sense of belonging and identity.

- ☒ Providing opportunities for NCS students to learn and interact with their Chinese-speaking peers in school or outside school (e.g. engaging NCS students in uniform groups or community services) (please specify):

NCS students are encouraged or selected to join different kinds of extra-curricular activities, such as English musical, painting, football, yachting, etc. They also take part in large-scale performances on campus, providing opportunities for them to explore personal interests, showcase their potential, and increase their interactions, learning, and communication with local students, thereby enriching their campus life.

(3) Our school's measures for promoting home-school cooperation with parents of NCS student(s) included (one or more options can be selected)#:

- ☐ Appointing assistant(s) who can speak English and/or other language(s) facilitating the communication with parents of NCS student(s)
- ☒ Discussing the learning progress (including learning of Chinese) of NCS student(s) with their parents on a regular basis, as well as explaining and emphasising the importance for their children to master the Chinese language as appropriate
- ☒ Providing parents of NCS student(s) with information on school choices/further studies/career pursuits for their children
- ☒ Other measure(s) (please specify):

NCS students' parents are regularly informed of talks on parent education and information about resources and policy of supporting NCS students so as to better equip and empower parents to raise their children to attain academic success and mental health.

- [#: The support measures mentioned in Parts (1) to (3) above are for reference only. Depending on the different learning progress and needs of NCS student(s) of each school year, as well as allocation of school resources, our school will adjust the support measures concerned.]
